Teamwork REALLY DOES make the dream work!!

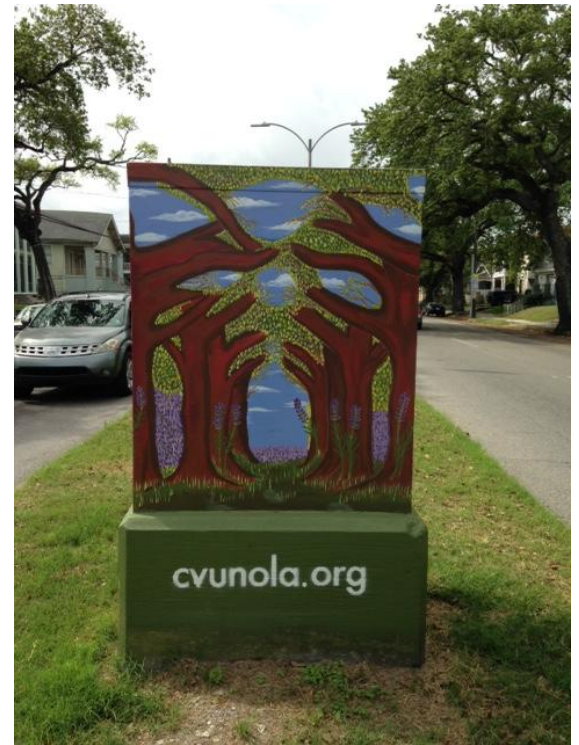

Edgewood Park Neighborhood Association (EPNA) appreciates everyone who contributed to the neighborhood beautification project in conjunction with Community Visions Unlimited (CVU NOLA). Together we transformed

into

THIS

We thank local artist **Joseph Stewart** for his vision and collaboration in “artifying” the electrical box at Franklin Avenue and Gentilly Blvd. Edgewood is still raising the \$200 balance to cover all fees related to this \$500 total project.

All donations of all sizes are welcome. Please send c/o Debbie Daspit, 2715 Acacia Street, New Orleans, LA 70122.

CVUNOLA has also helped to fundraise and will be completing other boxes in Gentilly.

Thank you to Jeannie Tidy and the CVUNOLA team, David Raymond and the Edgewood Park team, and to special friends who crossed over neighborhood boundaries to make Gentilly a beautiful place, including:

The DeSaix Neighborhood Association (Mid-City/Fairgrounds area)
