

To Whom It May Concern:

The Mid-City Neighborhood Organization decided to support Community Visions Unlimited's utility box beautification program a few years ago. Since that time CVU and its artists have painted almost 30 boxes throughout the Mid-City area of New Orleans – turning small pockets of blight into a legion of canvases for unique artistic expression.

We at the Mid-City Neighborhood Organization could not be happier with the work that CVU has done on the utility box project. They have used talented artists, have been responsive to community input, and have been a pleasure to work with.

We highly recommend this project to other neighborhoods and fully endorse CVU and their vision.

Sincerely,
