Dear Jeannie:

On behalf of the Board and members of Edgewood Park Neighborhood Association, I would like to thank you for your great work throughout the city to beautify the electrical box eyesores and to help spread love and community through art.

We appreciated working with you and your team to notify local artists and identify artwork that most appropriately expresses our neighborhood. Joseph Stewart provided a thoughtful and professional rendering of our tree lines throughout Gentilly on the box at Franklin Avenue and Gentilly Boulevard.

Attached is a thank you note we sent to express the distinct difference that CVUNOLA has made in the Edgewood Park neighborhood because of your persistent and visionary work. We wish you continued success in your efforts and hope to work with you more in the future.

Sincerely,

A handwritten signature in blue ink that reads "Alisha Johnson". The signature is fluid and cursive, with the first name "Alisha" and last name "Johnson" clearly legible.

Alisha Johnson, President
